HOW TO USE THIS GUIDE

The color coded sections in this guide correspond with the city index on page 3.

The cities and map page numbers are listed in the color section at the top of each page.

City page numbers are listed on each map.

City Name, Interstate/Exit number on top of all coupons.

Some of the Hotels use amenity icons to list more information about their property.

Look for the Call Ahead Rate

RESERVE NOW!  **Call Ahead Rate \$89.99**

When the hotel has the above ribbon in their coupon you can call ahead to reserve your room at the listed rate.

Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests. **During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate.** It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a HotelCoupons.com coupon. They will be happy to let you know if the coupon rate is available.

Cadillac Ranch

Steve Lagreca/BigStock.com

This quirky art piece outside of Amarillo, Texas is a must-see when you're traveling I-40. You may expect to see some classic cars while driving along Route 66, but none stand out like those at Cadillac Ranch. Funded by an eccentric millionaire in 1974, here you'll find the evolution of the classic American car with models from 1949 to 1963, half-buried in the Texas desert.

Karen Foley/BigStock.com

You'll be able to spot Cadillac Ranch from the interstate, and though it's housed behind a gate on private land, visiting is definitely encouraged. The cars' original colors are long-forgotten, and spray-painting or graffitiing the cars is welcome. In fact, the cars were "restored" to their original colors in 2002...which lasted less than 24 hours before being graffitied again.
